Congregation Emanu-El B'ne Jeshurun

Milwaukee, Wisconsin

INTRODUCTION

BOOK OF REMEMBRANCE

Menachem Rosensaft has written these words:

I used to be part of you
belong to you
the extension of your being
but now
you live within me
are the spark
of my consciousness

I say Kaddish for you
with you
as you
sing your melodies
speak your words
hearing your voice in mine
and my eyes
too green
have somehow started to reflect
the blue of yours

I used to be part of you
protected by your presence
by your light
but now
the time is mine
and alone
I must be more than myself:
your child
has become your heir
has become you.

Our thoughts turn to those who have departed this earth: our own loved ones, those whom our friends and neighbors have lost, the martyrs of our people whose graves are unmarked, and those of every race and nation whose lives have been a blessing to humanity. As we remember them, let us again consider the meaning of love and loss, of life and death (adapted from Robert I. Kahn).

The Emanu-El B'ne Jeshurun Yahrzeit Reminder Program automatically notifies congregants of upcoming Yahrzeit dates. This free service of the synagogue sends out reminder notices to all members and their families as long as they are members of the congregation.

To enroll in this program request a form from the clergy office. To ensure proper notification please inform the office of any name or address changes by calling the office at 414-228-7545.

Remember your loved one who passed away in a prior year by purchasing a permanent Memorial Plaque to be installed at the synagogue. Please fill out this form and send it to the congregation's Executive Director. Names of family members memorialized with a plaque are read on future Yahrzeit dates at Shabbat services in perpetuity.

PERPETUAL MEMORIAL

A Plaque placed in our Synagogue Memorial Alcove assures that Yahrzeits are automatically observed every year regardless of membership.

Please include plaque order for:

When we say Yizkor
For our beloved departed...

Let us remember—
All of our people who
Perished in the Holocaust

Let us consider —
The victims of terrorism

Let us honor —
The memory of those who lost
Their lives

Serving their country.

By saying Yizkor for them as well.
